Bring a Spark to Your Child's Summer

Dear ESF Camp Families,

Cultivate your child's interests with a summer experience that speaks to them. Nationally recognized as The Aspen Institute's 2019 Project Play Champion, ESF Summer Camps is a place where every child is free to explore their curiosity and power their potential. Through best-in-class curriculum, boys and girls, ages 3-18, ignite their interests and prepare for bright futures in any field—whether it's sports, science, technology, the arts or all of the above. Our experienced adult staff knows that the most important role we play in our campers' lives is to provide a safe place to build character, inspire gratitude and spark friendships.

Our exciting 2020 program line-up includes 60+ award-winning activities, uniquely designed to encourage exploration and personal growth. We provide the tools to promote creativity, develop leadership skills, build confidence and improve athletic ability. An ESF Summer will have a lasting impact on each and every camper's growth and development!

We encourage you to enroll now since space is limited. If you have any questions, please call us anytime to learn more about how we can customize your child's ESF experience.

We'll see you soon for... *A Summer Like No Other!*

Sincerely,

MICHAEL J. ROUSE

Executive Director & Co-Founder

(Proud Dad of Campers Finn, Shane and Brody)

The Gold Standard

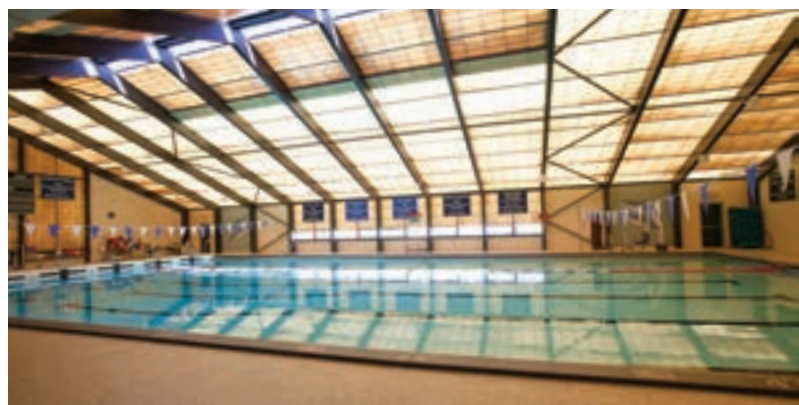

ESF is a HAPPY PLACE.

With a tradition of excellence since 1982 and a team of year-round professionals committed to your child's success, it's easy to see "The ESF Difference."

We guarantee that a summer at ESF will have a lasting impact on a camper's happiness, growth and development through our experienced adult staff, relevant programs, unparalleled curriculum, world-class campuses, character and life skills, and unwavering commitment to safety.

No Other Camp Comes Close.

The Ultimate Summer Playground

The perfect setting to learn and grow.

We transform the 60-acre picturesque campus of Ranney School into a wonderfully welcoming camp setting offering exceptional and authentic camp experiences that evoke lasting, treasured memories. ESF Camps at Ranney School is home to a community of children and staff that features extensive indoor and outdoor facilities and provides the perfect setting for campers of all ages to learn and grow.

Our exceptional standards include providing a safe, fun, and comfortable environment. Campus facilities are complete with an indoor swimming pool, tennis courts, athletic fields, gymnasiums, multi-purpose classrooms, rooms, dance and art studios, science labs, theater, and state-of-the-art playgrounds.

And so much more for campers to explore, rain or shine!

Grow Up with ESF

Great summer experiences come in all shapes and sizes.

No two campers are alike. From one year to the next their interests and curiosities change, and camp experiences should too. ESF's summer programs play at many levels for campers, ages 3-18, with each activity designed to appeal to its specific age group. So every camp, at every age, promises something new. Because one size does not fit all!

Check out the 2020 Camp Line-Up by Grade Level on pages 10 & 11.

More than 60+ activities for every age and interest!

DAY CAMP Rising Preschool — 2ND Grades

A camper's summer experiences should be as diverse as their growing interests. With a variety of hands-on activities for curious young minds, it's a time for exploring, creating, discovering, and eye-opening, with endless opportunities to uncover talents and forge new friendships. Led by our dynamic and experienced staff, Day Camp provides a wide variety of exciting hands-on activities and pure fun for a well-rounded summer experience. Campers are grouped in Bunks, according to their rising grade level. As they grow each year, they progress through one of our three Day Camp Divisions; each with a wide array of exciting, age-appropriate programs and activities.

This is way more than just a day at camp!

CAMP DIVISIONS

MINI CAMP: A DIVISION OF DAY CAMP
Rising Preschool

Preschoolers explore their world through hands-on learning activities. They are curious, active, eager and excited to discover something new each and every day. The Mini Camp Division provides our youngest, bubbliest campers with opportunities for daily swim instruction, running, jumping, climbing, singing, dancing, and so much more! **Campers must be 3 years-old by June 1, 2020 and be potty trained in order to attend camp. AM & Full day options available.**

HIGHLIGHTS

INSTRUCTIONAL SWIMMING

With daily instructional swimming, campers receive an initial skill assessment and then progress at their own pace. Progress reports are sent home weekly.

For more information on ESF's Aquatics program, go to: esfcamps.com/ranney/esfs-aquatics-program/

LOWER CAMP DIVISION

Rising PreK & K

Rising PreK and Kindergarten campers love to be busy! The Lower Camp Division provides them with opportunities for developing fundamental skills, making new friends and experiencing the world through hands-on activities. Uniquely designed programming helps our young campers thrive while discovering, exploring, playing and growing.

Campers are grouped in Bunks by rising grade level.

UPPER CAMP DIVISION

Rising 1ST & 2ND Grades

Rising First and Second grade campers are industrious, enthusiastic, inquisitive and creative. Making new friends, being on a team and engaging in dynamic activities is now more important than ever. In addition to all of the fun-filled Day Camp programs, the Upper Camp Division adds many new traditions and specialized, age-appropriate activities to campers' schedules.

Campers are grouped in Bunks by rising grade level.

DAY CAMP SHOW

Friday, July 31ST

Possibilities: An Olympic Journey, from Plank Road Publishing; by Teresa Jennings. Friends and family will be invited to attend.

FAVORITE TRADITION: SPIRIT STICK

Campers start the day off with a cheer and a challenge. During morning assembly, the Bunk that shows the most teamwork, participation and spirit wins the Spirit Stick for the day.

Our Aquatics Program is the finest around. We develop swimmers utilizing the latest teaching techniques and coaching methods. Beginning with water safety skills and basic fundamentals, we then move on to progressive stroke development and refinement of techniques. Our well-established program is designed to be compatible with the unique and ever-changing abilities and skill levels of each camper.

INSTRUCTION BY CAMP

Swimming is one of the most exciting parts of the camp day. Under the guidance and watchful eye of our American Red Cross certified instructors and lifeguards, campers develop life skills too valuable to measure while learning how to swim confidently in a safe and fun environment. We maintain a low staff to camper ratio.

For swimming details by camp, please go to the individual camp page in this brochure or visit us online at: escamps.com/ranney/esfs-aquatics-program/

AFTER CAMP PRIVATE SWIM INSTRUCTION

ESF also offers private swim instruction to campers who are interested in devoting more time to enhancing their skills. Available under the guidance and direction of our American Red Cross certified instructors and lifeguards. Lessons are designed to be compatible with individual camper needs and skill levels. To enroll, please indicate your preferred days/times using our online Supplemental Form or call the camp office when camp is open. Once camp is in session, we set up a schedule based on your preferred dates and instructor availability. Instructors may change daily.

HIGHLIGHTS

- Certified Aquatics Staff
- Seasoned Aquatics Director
- Skill Level Progression
- Safety Testing
- Awards & Progress Reports

PLEASE NOTE: Complimentary towel service is provided daily.

2020 Camp Dates & Descriptions

2020 SENIOR CAMP TRUE LIFE ADVENTURE SCHEDULE

Gourmet Camper: A Culinary Tri-Fecta | June 15 - 19

Put on your apron, roll up your sleeves, and join us for a Culinary tri-fecta of breakfast, lunch, and dinner specialties – with a splash of appetizers and desserts on the side! With the guidance of our executive chef, create and enjoy palate-pleasing dishes. This hands-on culinary experience will teach you about food preparation and kitchen safety, provide helpful hints for measuring, chopping, mixing, and garnishing, and help you discover the joy of cooking!

Rockwall: Take the Challenge | June 22 - 26

Conquer a towering rockwall with challenges designed for each skill level, under the watchful eye of an experienced instructor. This journey will lead you down the road of self-discovery, as you participate in teambuilding initiatives, collaborative problem-solving activities and exercises designed to develop and enhance the leader in you!

Filmmaking with iMovie | June 29 - July 2*

Lights, Camera, Action! Go behind-the-scenes in this visual-arts inspired TLA, to learn the foundations of digital filmmaking. Whether in the role of director, writer, actor, editor, set or costume designer, you will work in teams to produce a short film using Apple iOS mobile devices and iMovie. At the end of the week, showcase your feature film at the culminating ESF Film Festival!

***Please note: Camp is closed Friday, July 3rd.**

Camp Carnival, Circus Skills and Magic | July 6 - 10

One of our most-anticipated traditions in Senior Camp, you will have the opportunity to design and build a Carnival from the ground up. Learn face painting techniques and how to create balloon animals. Become proficient in juggling, clowning and sleight of hand magic tricks. Finalize your Carnival booths and practice your performance skills in preparation for the exciting Main Event hosted for Day Campers on the last day!

CO2 Dragsters: The Dynamics of Speed | July 13 - 17

Start your engines and prepare for the ultimate demonstration of force, motion, speed, friction, and acceleration as you cruise through this powerful TLA. Discover the design process while creating your very own, durable model CO2 dragster. Learn about production, finishing, and testing your custom vehicle – all in preparation for the grand finale, The ESF Dragster Race Day Competition!

Aerodynamics: Super Flying Machines | July 20 - 24

Take flight and join us for an exciting week that propels campers from ground zero to great heights! This aeronautical STEM TLA provides campers with hands-on experiences and insights into the physics of flight, force and motion. The fun is at an all-time high as they design, prototype, build and test their own flying structures and gliders!

Found Sound Bucket Band | July 27 - 31

Traditional, concert, and street styles of percussion meet for a fun-filled musical expression that will result in new compositions, creative insights into music-making and maybe even new dance forms. Play and write folk inspired drum 'beats' and learn important musical lessons such as internalization of tempos and improvisation while playing music together. Buckets and found instruments will add to a variety of timbres and ensembles, and aid in producing inventive rhythms. Friends and family are invited to attend "A Symphony of Found Sound" on the last day!

Geocaching: The Ultimate Treasure Hunt | August 3 - 7

Welcome to a new kind of adventure! Join us for the ultimate treasure hunt and discover the exciting sport of Geocaching! After exploring the fundamentals of geocaching and mastering the use of handheld GPS devices, campers prepare for and embark on outdoor scavenger hunts throughout campus to find hidden "caches" or treasures.

Sport Stacking with Speed Stacks | August 10 - 14

Welcome to ESF's Ultimate Sport Stacking TLA! Also known as cup stacking or speed stacking, this individual and team fitness sport combines hand-eye coordination, balance, concentration, quick reflexes, speed and power! Throughout the week, campers increase agility and skills through participation in cup stacking warm-ups, drills and exercises, as well as team and individual timed challenges! Campers will also enjoy outdoor, team building initiatives using large-scale jumbo cups including relays, doubles stacking and more! Friday culminates with The Great ESF Sport Stacking Tournament. How fast can you stack the cups?

2020 RANNEY SUMMER INSTITUTE SCHEDULE

Algebra I: A Complete Course for Credit | 8AM-12PM | June 22-July 31 | Rising Grades 7-12 Course Fee Per Student: \$2,700

This course is designed for the exceptional Pre-Algebra student who desires to advance his or her placement in mathematics. Focused on a quick pace, significant class participation and homework, this course will challenge participants with a demanding workload including quizzes and tests.

Algebra I: A Prep Class 10AM -12PM | June 22-July 10 | Rising Grades 7-12

This three week two hour per day seminar is offered to prepare students who will be taking Algebra I in the fall. The course will review key concepts for success in Algebra I. Students will analyze proportional relationships, perform real number operations, use radicals and integer exponents, generate expressions, solve equations and graph linear equations. Algebra I Prep is designed for those students who are looking for a jump start to the Algebra I Curriculum while reviewing and practicing essential skills needed for success in Algebra I. Course materials are provided.

Algebra I: A Review Class | 8AM-10AM | June 22-July 10 | Rising Grades 7-12

This three week, two-hour per day seminar will review the main concepts of Algebra I. Some of those concepts include solving and graphing linear equations and inequalities, powers and exponents, quadratic equations, polynomials, and factoring. Course materials are provided. This review course is designed for students that completed Algebra I and will be taking Geometry in the Fall.

Algebra II: A Complete Course for Credit | 8AM - 12PM | June 22 - July 31 | Rising Grades 9-12

This course is designed for the exceptional Algebra I or Geometry student who desires to advance his or her placement in mathematics. Fast-paced and interactive, this course will challenge participants with a demanding workload including daily quizzes and tests. The Algebra II: A Complete Course will satisfy Common Core requirements for a complete year of Algebra II. This six-week, four-hour per day course will serve as a replacement for a complete year of mathematics in many area schools. Students interested in this course must have taken Algebra I or Geometry during the past school year. This seminar will also serve as a complete review for students who have recently completed an Algebra II course and need reinforcement of all core concepts. Course materials are provided.

Algebra II: A Prep Class | 10AM - 12PM | June 22-July 10 | Rising Grades 9-12

This three week, two-hour per day seminar is offered to prepare students who will be taking Algebra II or Honors Algebra II in the fall. The course will review key Algebra I skills needed for success in Algebra II and to preview the fall semester of concepts to be covered in the Algebra II curriculum. Algebra II Prep is recommended for those students who petitioned for Honors Algebra II in the fall. Course materials are provided.

AP Calculus AB: A Prep Class | 10AM-12PM | June 22 - July 10 | Rising Grades 11-12

Course Fee Per Student: \$750

This three-week, two-hour per day seminar is offered to prepare students who will be taking AP Calculus AB/BC in the fall. It is designed to review key Algebra II and Pre-Calculus skills needed for success in AP Calculus AB. Students will be exposed to limits and derivatives while reviewing core trigonometric functions.

Biology: A Complete Course for Credit | 8AM-12PM | June 22 - July 31 | Rising Grade 11
Course Fee Per Student: \$2,700

This complete Biology course is designed for the exceptional sophomore science student who desires to enroll in AP Biology as a junior. This rigorous six-week, four-hour per day course will satisfy all requirements for a complete year-long biology program. Students will gain a comprehensive understanding of the functions of cells, biochemistry, genetics, anatomy and physiology, evolution, plant structure and function, and ecology. This intensive study of biology will be accompanied by significant class work including labs and case studies, homework assignments as well as quizzes and tests.

Chinese Immersion Class | 9AM-12PM | June 22-June 26 | Rising Grades 2-5

Course Fee Per Student: \$450

This class is designed for students who would like to learn Chinese language and culture in an immersion classroom. Class will be taught through the method of TPR in 99% Chinese language. Students will learn Chinese through hands-on activities, games, rhythms and songs. Students will be able to participate in daily conversation and write basic Chinese characters. Students will enjoy a variety of exciting cultural activities, such as Chinese calligraphy, Chinese painting, Chinese tea culture, fan dance and Taiji. No previous Chinese language background required.

Elementary Reading, Writing & Math for 1st-3rd Grades | 9AM-12PM | June 22 - July 31 | Rising Grades 1-3

Course Fee Per Student: \$1,800 (4 weeks), \$2,250 (5 weeks), \$2,700 (6 weeks) per student

For the first half of the morning, students will focus on developing and strengthening vocabulary, reading fluency, comprehension and writing skills. Reading critically for analysis and comprehension will balance opportunities to tap into students' creative and imaginative thinking to foster strong discussion and writing techniques. During the second half of the morning, students will work to develop a strong numerical sense, while practicing computational skills, the application of mathematical operations and the solution of word problems. The use of math journals and manipulatives help to reinforce the concepts covered in class.

Elementary Reading, Writing and Math for 4th-6th Grades 9AM-12PM | June 22 - July 31 | Rising Grades 4-6

Course Fee Per Student: \$1,800 (4 weeks), \$2,250 (5 weeks), \$2,700 (6 weeks) per student

Geometry: A Complete Course for Credit | 8AM-12PM | June 22 - July 31 | Rising Grades 7-12

Course Fee Per Student: \$2,700

This course is designed for the exceptional Algebra I student who desires to advance his or her placement in mathematics. This rigorous six-week, four-hour per day course will satisfy all Common Core requirements for a complete geometry program and will count as a full year of mathematics study in many area schools.

Introduction to Engineering 9AM-12PM | July 13 - July 17 | Rising Grades 6-9

Course Fee Per Student: \$450

The Introduction to Engineering course will provide students in grades 6-9 with hands on projects that will get them thinking both scientifically and creatively. Students will work in small groups to create the strongest bridge, the longest range catapult, fastest balloon car, and more while learning the basic science behind them. Students will also be instructed as to the basics of engineering drawing in order to learn how to draw like an engineer to document their projects.

Introduction to Italian | 9AM-12PM | July 13 - July 17 | Rising Grades 4-6

Course Fee Per Student: \$450

In this weeklong intro course to Italian, students will be able to greet one another politely; count from 1-100; talk about the weather; discuss some of their likes and dislikes; and describe themselves and their family members. Students will also be introduced to Italian culture, Italian food, and the 23 regions of Italy.

Junior LEGO® Masters: An Introduction to Engineering with LEGO®s | 9AM-12PM | July 13 - July 17 | Rising Grades 1-4

Course Fee Per Student: \$450

RSI's youngest students are introduced to engineering through the use of LEGOS®! Abstract concepts like balance, force, friction and energy all come to life as students build models, test theories and experiment with their own creations while working collaboratively with their peers to solve problems and inspire them to become lifelong learners.

Music Conservatory: Orchestra Insights for Advanced Musicians 8AM-12PM | June 22 - July 3 | Rising Grades 5-8

Course Fee Per Student: \$1,200

This specialized class is for more advanced musicians with a more sophisticated focus on violin, viola and cello. Repertoire is chosen based on the needs of each ensemble. Ensemble skills and string pedagogy are stressed in daily rehearsals and sectionals.

Music Conservatory: Orchestra Insights for Intermediate Musicians | 8AM-12PM | June 22 - July 3 | Rising Grades 3-4

Course Fee Per Student: \$1,200

This class focuses on violin, viola and cello for the musician with emerging skills. Class time is devoted to special topics such as sight reading, rhythmic reading, bowing techniques and rehearsals.

**THE PREMIER CAMP EXPERIENCE
 FOR VALUABLE LIFE LESSONS!**

ESF is a HAPPY PLACE where, since 1982, every child is free to explore their curiosity and power their potential. We guarantee that a summer at ESF will have a lasting impact on a camper's happiness, growth and development.

We believe building character muscles is similar to building physical muscles. We thread opportunities throughout the camp day to strengthen these muscles, thereby making character development a key differentiator of an ESF Experience. As a result, ESF campers become stronger, healthier and more resilient. We build upon family values and continue to shape the "Character Muscles" of our campers through our 8 ESF Virtues:

- GRATITUDE
- RESPECT
- TRUSTWORTHINESS
- EFFORT
- KINDNESS
- RESILIENCY
- COMMUNITY
- POSITIVITY
